

Mission; key activities EuroScience

- EuroScience: the European grassroots organization of scientists and all those taking an interest in science. The voice of European researchers, across disciplines and countries; promoting dialogue with researchers worldwide.
- **Objectives:**
 - Engaging with policymakers, business and society to create a stronger Europe through science
 - Convening partnerships to work on careers, rights and responsibilities of scientists and key issues of science policy
 - Promoting transparency of, and providing information on European STI policies
 - Advancing science for the pursuit of knowledge, prosperity and global development, and for addressing transdisciplinary global challenges.
